Mrs. Clara M. Law,

Waynesboro, Ga.

My dear Cousin Clara:

Kindly pardon my hasty note, but I wish to advise you that it is my idea to visit the West in November, and while I am there will call on Cousin Mary Greene Wilson and thought probably you would want to send her a message. I hear from her occasionally, she is a wonderfully smart woman and I enjoy my correspondence with her very much.

I had the pleasure of meeting your son the other day in Atlanta, which I enjoyed very much. We would all be pleased to have you visit us sometimes, it seems that I stay so much on the run that I never have time to make a visit to any of my relatives.

With my most sincere regards and trusting to have the pleasure of knowing you personally, I beg to remain,

Yours very truly,

J.C.Collier.
